Please note that:

1. Prices are a guide, but cannot be guaranteed.
2. Unfortunately, due to significant staff shortages at Kings Farm, they are not able to supply sliced bacon, sausages or sliced ham in the immediate lead up to Christmas. Customers are advised to buy these items for home freezing in the first half of December, when the Shop will have additional stock.
3. When placing orders for pigs in blankets, sausage meat, chipolatas and stuffing, all will have previously been frozen.
4. All orders are placed with Kings Farm on the day we receive them. Although we understand that sometimes plans may change unexpectedly, we would be very grateful if you could make every attempt to ensure your order is accurate when placed.
